Applicants submit the following tables to clarify the new claim structure of the instant application in light of the claims consolidated from the related applications.

Table A

The below table represents the claims as now amended and added wherein claims 3, 8, 13, 18 & 23 have been amended to incorporate more generic embodiments of the corresponding independent claims of the previous pending related applications (Applicants' docket nos. 275-279 & 281-292).

Section 1 of the table designates the original dependent claims as found in the previous amendments corresponding to each of independent claims 3, 8, 13, 18 & 23.

Section 2 of the table designates newly amended dependent claims that incorporate the features found in each of Applicants' related pending applications as referenced by the attorney docket number in the rightmost column.

Section 3 of the table designates newly amended dependent claims related to the corresponding independent claims. Additionally, the claims from ***Section 2*** and ***Section 3*** are related to each other in concept as grouped horizontally in the table. I.e., claims

27, 69, 115, 153 & 189 are similar in concept but differ only with respect to each of their related independent claims.
